Pagoda Major Renovation Appeal

Dhammatalaka Peace Pagoda was successfully built and opened in 1998 and the Pagoda will be standing 20 years in July 2018. Unfortunately, we have noticed a substantial decline around the structure of our Peace Pagoda last few years. Work is already started with roof repair, electric systems and heating. Most importantly, this Pagoda is the symbol of Burmese Buddhist architecture associated with the concept of peace and extremely beneficial to thousands of students, teachers, practitioners, and worshipers. For the sake of protection our value and identity, for contribution of Buddhism can you please help us by donating to this major renovation work.

Many thanks for your support in advance.

Donation can be made by cash or cheque.(payable to Birmingham Buddhist Vihara).
