

# THIS PAGODA NEEDS YOU

The trustees of the Pagoda want to involve more of the young people who come to the Pagoda in its activities with this in mind we are looking to set up a young management committee that will report directly to the board of trustees.

Experience of working on a committee is not important we will assist them in setting up and initially give them guidance. This will not be a talking shop we are looking to develop the young people so that they will eventually become full trustees of the Pagoda.

Listed below are the qualities that we are looking for in the young men and women.

Between 18 and 30 years old.

Share a common language (preferably English).

Be a practicing Buddhist.

Attend bimonthly meetings.

Be enthusiastic about the Pagoda and take part in its activities.

Be a team player.

Take a collective responsibility for certain events.

If you are interested and want to know, more then contact me by phone, email, or letter. I am hoping that we can set this up before the end of this year.
